

Our Mission Statement

At Sutton St James Pre-School we provide a caring, secure and happy environment which enables all our children to develop and thrive in all areas of their learning journey.

What have we been learning

Welcome to our first Newsletter of 2021!

What a strange start 2021 has been for everyone, however here at Pre-School we are not going to let lockdown get in the way of our fun and learning with your amazing children!

We are so excited to welcome our new family members: Erin, Kai, Evelyn, Arora and Zachary. They have settled in amazingly and we are so proud of them.

We are having such fun with our “All around the world” topic. We have travelled to the snow in Iceland on the “Icelandic express” building snowmen and creating our very own volcano’s, We have explored the colours and music of India as well as greeting each other with “Namaste” each morning. We travelled to “Love Island” and learnt about what is special about us and what we love about each other and we are currently sampling the delights of China in our role play Chinese takeaway, creating our very own Pre-School dragon and will be performing our Lion dance at the end of the week. Your children have been phenomenal at remembering facts about the country we are exploring and love to say “good morning” in different languages... See if they can tell you any! Watch this space for our next half terms travels around our wonderful world! We have so many exciting activities planned and will keep you updated via our Facebook page and website which will be launching soon.

We would like to take this opportunity to thank Ava's family who have tragically lost her "grandad Chris". Chris was a wonderful man with a heart of gold and will be missed by us all. Ava's family have kindly asked people to donate to pre-school in Chris's memory which is so incredibly kind. THANK YOU XX
